Letter from the Principal

Dear Rocket Family,

I am both honored and thrilled to be your Principal at Concord Lake STEAM Academy for the 2019-20 academic school year. This year as we blast to new heights, I want you to know we are committed to providing your scholar with a well-rounded education through rigorous, innovative, and inquiry-based instruction so that scholars think critically at higher levels, develop a strong work ethic, and are college, career, and community ready.

As we embark on a new school year, please know that as a school community we believe:

- Each scholar is a valued and unique individual.
- Each scholar will be equipped with 21st Century Skills (creativity, critical thinking, and collaboration, communication and information, media, and technology skills) necessary to be successful in our global society.
- Scholars learn best when they feel safe and supported.
- Scholars will see the world through the eyes and minds of others.
- The curriculum will provide innovative and integrated approaches to STEAM education.
- Lifelong healthy habits are vital in creating citizens who are physically, mentally, and emotionally prepared for the future.
- Parent, teacher, and community involvement is critical.

I invite you to join Charter Schools USA and me in making the future great for our scholars through support of your time and talents. Nothing motivates children more than when learning is valued and encouraged by our school, our families and our community. Together we will ensure a quality education for each and every child, each and every day.

Yours in Education,

Mission Statement

Concord Lake STEAM Academy’s mission is to provide scholars with a well-rounded education through rigorous, innovative, and inquiry-based instruction so that scholars think critically at higher levels, develop a strong work ethic, and are college, career, and community ready.

Vision Statement

Our vision at Concord Lake STEAM Academy is to educate the whole child by empowering scholars to reach their full potential through Science, Technology, Engineering, Arts, and Mathematics.

School Hours

- Before School Care Drop off: 6:30-7:00 a.m.
- Breakfast: 7:30-7:50 a.m.
- Campus and Hallway Supervision: 7:30-7:55 a.m.
- Classrooms Open: 7:30
- School Begins: 8:00 a.m.
- After School Care: 3:00-6:00 p.m.

Arrival and Dismissal Procedures

Scholar Arrival

- Instruction begins promptly at 8:00 a.m. with bell work and morning routines. It is suggested that scholars arrive between 7:30 and 7:55 a.m. to avoid any tardy issues. The arrival loop will be closed off at 7:55 a.m. Those arriving after 7:55 a.m. will need to park and escort their child (children) into the building. Please do not drop scholars off on the road in front of the building or in the parking lot; this is a safety hazard for your child.
- Scholar drop off is from 7:30 a.m. until 7:55 a.m. As a commuter school, it is essential that all parents follow the legally approved traffic flow pattern for Concord Lake STEAM Academy to ensure the safest and most efficient drop-off/pick-up for everyone.
All cars are to proceed around the back of the building using lanes 1, 2, 3, 4, and 5 (red, yellow, blue, green, and purple) for morning drop-off. Once you have pulled as far forward as possible, please place your vehicle in park before scholars disembark. Please follow the staff member’s directions for releasing scholars from the car and for pulling away when children have safely reached the walkway.

- The safety of your children is our first priority. Please follow drop-off procedures very carefully to keep all of our children safe. Remember, cell phone use is strictly forbidden and stereo must be turned off while you are in the drop-off/pick-up line.
- The parking lot has designated signs for all visitors. Please remember that parking is limited for events and that it is illegal to park in undesignated spots. Vehicles that are illegally parked will be subject to towing at the owner’s expense. If you need to park at any time during our arrival or drop-off times, please notify our outdoor staff and we will gladly open up the visitor’s area and allow you to park in the designated parking spots.

Scholar Dismissal

- Grades K-5 – 3:00 pm
- Grades 6-8 – 3:15 pm
- Please avoid calling the front office during dismissal (2:30 p.m. – 3:30 p.m.) Scholars must leave the school grounds immediately after dismissal unless he/she is a scholar enrolled in the After Care Program or the scholar is involved in an after school activity (Tutoring/Sport/Club) supervised by a staff member. Parents must pick up their child at the designated dismissal time for each grade level. Please refer to the parent contract, operating hours and Arrival Procedures for additional information.
- Only individuals listed on the PowerSchool pickup rights and the emergency contact card will be allowed to pick-up scholars from the school. Valid photo identification will be required of all individuals picking-up scholars. If someone arrives at the school to seek the release of a scholar and the person’s name is not on the emergency contact card or the person does not have valid photo identification, the scholar will not be released.
- To avoid having the school become involved in personal family conflicts, parents or guardians should submit to school authorities a copy of any legal documents, which indicate who has legal access to the child and his/her records during school hours. In the absence of legal documentation, school officials will provide access only to those individuals whose names appear on the scholar's emergency contact card and custodial parents. Friends and strangers will be denied access to a scholar in the absence of verified parental consent.
▪ Scholars not picked up by 3:30 pm grades K-5 and by 3:45 pm in grades 6-8 will be sent to After Care by school personnel and the parent will be assessed the daily After Care fee of $15.00.

▪ All parents must remain outside the school at dismissal time. Scholars will be sent to the designated pick up area. Scholars will be dismissed from school by one of the following ways at 3:00 for grades K-5 and 3:15 for grades 6-8:
  o Car Rider/Off-Site After Care Program
  o Concord Lake STEAM Academy Aftercare Program
  o Concord Lake STEAM Academy Clubs

Car Rider/Off-Site After Care Program

▪ All Scholars that have an older sibling will wait in the designated location under supervision until the end of the oldest child’s pm dismissal time. Parents of multiple grade level scholars are asked to come at the oldest child’s dismissal time as we will only dismiss as a family.

▪ If your child will be attending an off-site provider, you must notify the school in writing and provide the specific information. You must contact the provider and give them our dismissal information. Scholars on buses/vans will meet in one designated area, supervised, and dismissed as a group when the vehicle arrives.

▪ Please notify the school, in writing, if there is a change in dismissal routine for an off-site provider.

▪ Parents, Car Pool Cars and Vans will be provided a numbered placard by the school with the scholar’s name, teacher, and grade level(s) written in clear print, last name included. Placards should be placed on the driver’s side window so that staff can clearly read the number.

▪ These will be color coordinated to help us with our staggered dismissal process.

▪ As many parents drive their scholars to school, it is essential that all parents follow the legally approved traffic flow pattern for Concord Lake STEAM Academy (see diagram below) to ensure the safest and most efficient pick-up for everyone.

▪ The safety of your children is our first priority. Please follow pick up procedures very carefully to keep all of our children safe. Remember, cell phone use is strictly forbidden and radios and cd players must be turned off while you are in the drop-off/pick-up line.

▪ Visitor Parking: Short-Term Parking is designated for all visitors. Please remember that parking is limited for events and that it is illegal to park in undesignated spots. Vehicles that are illegally parked will be subject to towing at the owner’s expense.
PLEASE DO NOT USE ELECTRONIC DEVICES INCLUDING TALKING AND TEXTING WHILE IN THE PICK UP LINES!!!! IT ENDANGERS THE STAFF AND SCHOLARS.

Late Fee Schedule
- Any child in After Care, or placed into after care as a result of not being picked up on time, who is picked up after 6:00 p.m. will incur an additional late fee of $15.00 per child. In the event that any scholar is not picked up by 7:00 p.m., the authorities will be notified.

Concord Lake STEAM Academy Aftercare/ Concord Lake STEAM Academy Afterschool Program
- Grades K-5: 3:00 p.m. – 6:00 p.m.
- Grades 6-8: 3:15 p.m. – 6:00 p.m.
- Parents must pay separately for this program which is run on-campus with Concord Lake STEAM Academy staff. Activities include snack/drink, homework assistance, recess, arts/crafts, and various pre-planned specials. Please contact our Before and After-school Director for additional information.

Early Dismissal
- Any scholar leaving school prior to dismissal will have an early dismissal logged to his/her record. Excused early dismissals are given for doctor’s appointments with notes from the doctor. To receive an excused early dismissal, a doctor’s note should be brought to school the next day. No doctor’s notes will be accepted late.
- If you need to take your child out of school before the end of the school day, come to the school office and sign him/her out and a school employee will send for your child. Due to the nature of our dismissal process, no early dismissals are permitted after 2:30 p.m.
- Scholars will not be dismissed from the classroom to a parent. Parents need to sign their child out on the sign-out log and wait for their child to come to the main office.
Before School Care and After School Care

Before School Care (BSC) is a service the school provides for all parents for an additional monthly fee. Please see our Before and After School Director for program policies and monthly payment due dates. Scholars who will be attending the BSC program are expected to report directly to the Multipurpose Room upon arrival, and parents should sign in their child on a daily basis.

No scholars will be permitted to enter the building prior to 6:30 a.m. for BSC. Scholars with negative balances from the previous semester will not be eligible to participate until the account has been paid in full.

Scholars need to learn the importance of regular school attendance. In addition, it is important that scholars report to school on time. Supervision before 7:30 is intended for scholars who are enrolled in the BSC program. Scholars should not be dropped off outside the school’s gate prior to 7:30. If scholars are dropped off early, they will be placed into the BSC program and the parents will be billed.

The After School Care (ASC) program is a service we provide for scholars for a reasonable fee. The ASC program begins immediately after school and runs until 6:00 p.m. Scholars are provided a snack and a drink. During ASC scholars will work on home learning and reading and then will have time for recess, games, and a variety of structured activities. Please see our ASC Director for payment procedures and policies.

Scholars may not be picked up from ASC during dismissal time: 3:00 - 3:45 p.m. After School Care (ASC) scholars will not be dismissed until after 3:45 p.m.

Transportation

Concord Lake STEAM Academy believes that transportation should not be a barrier to school attendance. Therefore, parents are encouraged to car pool and make sure that scholars are dropped-off and picked-up during the posted school hours. Please see School Administration if you experience a hardship with transportation.

Attendance Policy

Absences

- Your children should be in school every day as mandated by state law.
- When you keep your child at home due to illness, please email absences@concordlakeacademy.org to report the absence. If you do not report the absence you will receive an unexcused absence call from the automated service.
Per NC law, after 3 unexcused absences the parent will be notified. After 6 unexcused absences parents will be warned that they may be in violation of the state compulsory attendance law.

- After 10 unexcused absences additional legal steps will be followed. The school and the staff will work with parents throughout this process to find ways to facilitate better attendance. Please note that the scholar is automatically removed from PowerSchool following the 10th consecutive unexcused absence.

- A scholar must be present at least one-half of the school’s instructional day in order to be recorded resent for that day

- Scholars with excused absences will have 10 days to complete make up work.

- If a scholar is picked up early, they will be marked absent for any classes they miss.

- If a scholar has accrued ten (10) days of unexcused absences, he or she is subject to being withdrawn from the school roster. Under these circumstances, the scholar’s seat at Concord Lake STEAM Academy will be held for five (5) days after which the scholar’s name will be placed on the wait list and that seat will be considered open for the admission of another scholar.

- Anytime a scholar returns to school after an absence, a note must be brought in from home.

- An absence is excused when a parent or guardian sends a note offering a valid explanation of the absence. Per the North Carolina Department of Public Instruction, School Attendance and Scholar Accounting Manual, there are only 10 valid/lawful reasons for a scholar’s absence; please review these in detail at http://www.ncpublicschools.org/docs/fbs/accounting/manuals/sasa.pdf

- Absences not classified above will be considered unexcused.

- If you need to take your child out of school before the end of the school day, come to the school office before 2:30 p.m. to sign him/her out and a school employee will send for your child.

**Planned Extended Absences**

- Parents are urged to plan family trips during school vacations so as not to interfere with the learning process. Missing school for a family vacation is strongly discouraged and is considered to be an unexcused absence. However, if an extended scholar absence is unavoidable, the school should be notified in writing at least two weeks before the first day a scholar is out. Please email jeager@concordlakeacademy.org for a form. Make-up work will be given to scholars either before or after the absence based on what the teacher deems as most beneficial for the scholar. **Scholars who have 20 or more absences exhibit a pattern of absences and risk the possibility of retention.**
Tardy Policy

- A child is tardy when he/she is not in the classroom at 8:00 a.m. A scholar that enters a classroom after the start of class is considered tardy. All tardy scholars must be signed in at the front desk by a parent or guardian. (Do not just drop your child off at the front door; you must sign your child in.) Excused tardies are given for doctor’s appointments with notes from the doctor and in the event of extreme emergencies.

Birthday Celebrations

It is our goal to protect all instructional time. Therefore, classroom celebrations will only be permitted during the following times established by the school.

Fall, winter, spring, and end of year a preapproved list of dates for celebrations and criteria for food items will be shared by your child’s classroom teacher during Open House.

Book Bags/Folders/Personal Items

Book bags, backpacks, folders, or any other personal items should not display patches, entertainment insignias, drawings, obscene words, gang signs, or any other item that would be deemed disruptive, inappropriate, offensive, or reflect negatively on our school. Failure to comply will constitute a uniform violation and be subject to detention and parental notification. No Lighted or wheeled backpacks are permitted.

The administration retains the right to search desks, backpacks, purses, lunches, bags, and lockers at any time. Individual students and/or personal possessions will be searched when reasonable suspicion arises. Students will not be randomly searched. When a search is required, a Director or designee will conduct the search away from classmates and in the presence of an adult witness. Parents/guardians will always be notified if their child is searched. In the event that a student refuses to cooperate, the parents/guardians and law enforcement, if appropriate, will be contacted. Further disciplinary action may also occur. The administration reserves the right to seize inappropriate items including, but not limited to, contraband items and electronic devices. Return of the items is at the discretion of the administrator.

Agenda Books

All scholars are required to use the school approved agenda book. The agenda book will be used on a daily basis by teachers for communication to parents. Agendas should be signed each night by a parent to ensure that all communication has been seen. Information regarding agendas will be available during Open House and in the
Cafeteria

Preferred Meals System provides all breakfast and lunches for Concord Lake STEAM Academy. The menus will support the National School Lunch Program. Lunch menus are located on the school’s website on the School Information Page under, “Lunch Information.” Lunch will be served in the multi-purpose room for all scholars. Scholars who bring lunch from home are able to purchase milk. NO LUNCH CHARGES can be made since public funds do not allow schools to extend credit. Although we understand there may be times when lunches are forgotten, we ask that parents not make a habit of dropping off lunches. The office staff is always willing to assist, but please understand that it can cause a major disruption to the day if lunches are dropped off after the start of the school day. Because we are trying to promote healthy eating habits, fast food may not be brought to school when a child forgets his/her lunch. Scholars are not allowed to bring sodas to school. In addition, we discourage sugary foods, candy, cookies, gum, and foods heavy in red dye. There is no microwave access for scholars.

Cafeteria Behavior

Each scholar is required to show good manners, courtesy and consideration of other scholars and adults in the cafeteria. Scholars will enter and exit the cafeteria in an orderly fashion. Scholars will stand in a single file line while waiting for food, keep communication noise levels low, and stay seated unless they have been given permission to leave their seat. Containers are provided for the disposal of trash and each scholar is required to dispose of the trash from the top of his/her table and the area surrounding it before the lunch period is over (or immediately upon the request of the monitors). No scholar is allowed to leave the cafeteria during the lunch period without a written pass to some other area of the school. A scholar is not allowed to leave the school grounds during the lunch period. No food or beverage is to be taken out of the designated dining area at any time. The cafeteria expectations are posted and all scholars are expected to follow them at all times. Food or objects are not allowed to be thrown at any time while in the cafeteria as this poses a safety concern; such acts may result in disciplinary action.

Meal Purchases

The fees for school breakfast and lunch are as follows:
Breakfast $1.75  Reduced Breakfast $.30
Lunch $3.00  Reduced Lunch $.40

Payments may be made via check or money order payable to Concord Lake STEAM
Please note that there is a $35.00 fee for returned checks and you may be required to pay in money order for the remainder of the school year. Days missed due to absences or fieldtrips are NOT credited. A special fieldtrip lunch will be provided. Milk can be purchased for .50 cents every day.

**Free/Reduced Price Lunch**

Free and reduced lunch applications are available in the office. Scholars qualifying for free or reduced meals will receive free milk at breakfast and lunch. Parents need to apply for this benefit every year. Applications should be completed and returned by September 15th for scholars starting school at the beginning of the school year. Scholars who enroll after the school year has begun should return their free/reduced lunch applications with their registration packets.

**Care of School Property**

Scholars are expected to respect the school buildings and property. Containers are provided throughout the buildings and grounds for proper disposal of waste. Marking or defacing school property is a serious offense leading to disciplinary action. Any scholar who damages/vandalizes school property will be required to make full restitution for damages. Chewing gum in the school building is forbidden. All food should be consumed in the cafeteria or area designated by the administration. Scholars arriving to school with coffee, breakfast drinks, and/or food will be sent to the cafeteria to finish consuming. If the scholar has not finished the food prior to the tardy bell, he or she will be marked as tardy. Any scholar who disregards expectations pertaining to care of school property may be subject to disciplinary action.

**Cell Phone Policy**

No scholar, unless authorized by the school Principal or his/her designee, shall use or operate any electronic telecommunication device, including cell phone, any facsimile system, radio paging service, mobile telephone system, intercom, electro-mechanical paging device, MP3, IPod, or gaming device in the school building, or on the grounds during the instructional day, or during a school-sponsored activity. Failure to surrender items will result in a disciplinary consequence. A teacher will make parent contact when a cell phone is confiscated and a parent or guardian must come in to pick up the device.

**Character/Citizenship**

Scholars are expected to demonstrate superior character and citizenship. We encourage scholars to always do the right thing and seek the assistance of staff
members when a troublesome situation arises. Follow the golden rule: Do unto others, as you would have them do unto you. Lend a helping hand whenever possible, always make good choices and act responsibly. We follow a school-wide system in our school. These are based on building community through good relationships, social skills, and engagement in learning. Elementary grades will start the day with morning meetings and middle grades will use an advisory period to start the day.

**Child Find**

The Exceptional Children department and Student Services is looking for all children and youth ages birth through 21 with special needs who may not be receiving help needed. These include children and youth with physical disabilities, emotional disabilities, and/or intellectual disabilities, and children and youth with suspected disabilities who are highly mobile, migrant and/or homeless. If your child has a disability, or you suspect that he/she may have a disability, please contact the school at (704)273-5310.

**Child Abuse**

North Carolina state law requires that any person who has cause to suspect child abuse or neglect has a duty to report to the Cabarrus County Department of Social Services (704) 920-1400.

**Communication Between Home and School**

Communication is absolutely essential for success in any human endeavor. The administration and staff recognize this and will strive to facilitate open and frequent communication with parents at all times.

- **Email**: Parents must keep updated email information with the school as many announcements are posted via technology from administration/teachers.
- **Automated Phone Call or Email**: Parents must keep updated phone numbers with the school in the case of necessary telephone announcements.
- **Newsletters**: Hard copies (front office) and electronic copies (emailed and posted on the website) are published weekly for the school.
- **Website**: Updates, calendars, forms, and school events are kept current on our website [www.concordlakeacademy.org](http://www.concordlakeacademy.org).
- **Flyers**: When necessary, hard copies will be sent home for fundraisers, events, and announcements. You can look for these to generally go home on Thursdays.
- **PTC meetings**: are essential forums of information for parents. The monthly meetings are placed on the calendar and your participation will also count
towards your volunteer hours.

- **PowerSchool** is the computer system that gives all parents/scholars access to the school and teachers. The logins and passwords will be sent home at the beginning of the school year. You will have real time updates to all information.

- **Phone Calls**: Every teacher has a voicemail and phone. If you call during instructional hours, you may leave a message with the front office staff, or may be asked to send an email to the teacher. Remember that teachers have two business days to respond to parent phone calls or emails.

- **Personal Conferences**: It is the desire of the faculty and administrators to be of service to both parents and scholars, and every teacher welcomes a conference with any parent. We do require that such visits be made by appointment with the teacher at a convenient before-school or after-school time. **Parents are asked not to meet with a teacher before or after class unless a conference has been scheduled.** Teachers have been directed not to have impromptu conferences with parents at the classroom door before or after school. This distracts the teacher from supervision of the scholars during a crucial time of movement and compromises the confidentiality of your child’s issues.

### Discipline Policy

Discipline is the process of changing a scholar’s behavior from inappropriate to exemplary. We are never satisfied with merely stopping poor behaviors; we desire to teach the scholar to do what is right. We do not discipline a scholar out of anger or for the sake of convenience, but with a true desire to help the scholar to do what is right. Though few scholars desire discipline, they often need it in order to reach their full potential.

Each teacher will establish appropriate procedures for discipline in his/her classroom based on these guidelines. **The following list is not all-inclusive:**

- Scholars are expected to respect the authority of school personnel which includes but is not limited to: administration, teachers, staff, and substitutes.
- Malicious destruction of school property results in the replacement, repair or payment for damages by either the scholar or his/her parents. The placement of stickers on school property is forbidden.
- Scholars shall help keep the school clean at all times. There is to be no gum chewing in the school building or on the school grounds.
- Items such as water pistols, matches, iPods, skateboards, hand held game devices, toys, weapons of any sort, etc. are not permitted at school.
- No items will be permitted that carry pictures or slogans referring to the drug culture or alcohol. No profane, abusive or slang language is to be used.
- There is zero tolerance for aggression, drugs and alcohol at school. Scholars
that push, hit, bite, kick, harass, bully or use the internet in a negative way will be assigned an appropriate consequence, up to and including suspension or dismissal from the school, and/or referral to law enforcement.

**Scholar Code of Conduct and Discipline Guidelines**

Every teacher shall endeavor to hold each scholar to a strict accountability for any disorderly conduct in school, in school sponsored activities, on the playgrounds of the school, on the street, while going to or returning from school and during intermission or recess. To assist the teacher, the administrators of Concord Lake STEAM Academy have established regulations for the use of disciplinary measures within the schools and continually monitor and appraise their usefulness.

**Hallway Behavior**

Scholars should travel through the hallways quietly to avoid interrupting ongoing classes. Scholars should always arrive to class on time. For safety reasons scholars should walk on the right side of the hallway and keep their hands, feet and other objects off the corridor walls. All scholars should be at a voice level zero in the hallways.

**Positive Behavioral Interventions and Supports (PBIS)**

- Concord Lake STEAM Academy shall establish a school-wide system of discipline which utilizes positive behavioral supports. Concord Lake STEAM Academy shall establish, post, and provide direct instruction on school-wide behavioral expectations to each scholar at the beginning of each school year and reinforce expectations throughout the school year. School personnel shall provide yearly training to all school staff on positive behavioral supports and the school-wide discipline plan. Concord Lake STEAM Academy shall establish a school leadership team which meets regularly to review behavioral and related data and guide the positive behavior process.

- Role of PBIS – A well-managed classroom and school is the most proactive approach to maintaining appropriate scholar behavior in any school. Clearly established rules must be taught to scholars, reinforced frequently, and enforced consistently by all administration, faculty, and staff. Consequences for violations of the rules should be assigned to scholars quickly, fairly, and consistently to have the greatest impact on changing the behavior of scholars. Positive reinforcement of correct behaviors exhibited by scholars also serves to impact the behaviors of all scholars.
Authority of School Principals

Principals shall have both the authority and the duty to take disciplinary action whenever the behavior of any scholar(s) materially interferes with or substantially disrupts the maintenance of a proper atmosphere for learning within the classroom or other parts of the school. Depending on the severity of the offense committed by the scholar, the principal retains the right and the responsibility to use any appropriate form of discipline available including suspension, recommending expulsion, and/or law enforcement. However, no scholar shall be disciplined in any manner by Concord Lake STEAM Academy’s school principal, teacher, or other school employee for the use of force upon another person when it can be reasonably concluded that the use of such force more probable than not was committed solely for the purpose of preventing a forcible offense against the scholar or a forcible offense provided that the force used must be reasonable and apparently necessary to prevent such offense. A scholar who is the aggressor or who brings on a difficulty cannot claim the right stated above to defend himself.

Authority of School Teachers

- Teaching Behavioral Expectations and Remediation of Deficits - Each teacher shall in the beginning of each school year and periodically throughout the school year provide his or her scholars with the rules of the school and how those apply in their particular classroom. The teacher should teach the behavioral expectation and provide a system to acknowledge appropriate behavior and remediate behavioral deficits.
- In-School Alternatives and Preservation of Instructional Time - Since academic achievement is associated with the amount of instructional time received by a scholar, the use of alternatives (re-teaching, remediation, brief time-out in classroom, calls to parents, notes home, behavior plans) to removal from class is encouraged. In addition, counseling alternatives (school counselors and/or other appropriate mental health professionals or a contracted outside agency) are encouraged.
- Each teacher may take disciplinary action to correct a scholar who disrupts a normal classroom activity, who is disrespectful to a teacher, who willfully disobeys a teacher, who uses abusive or foul language directed at a teacher or another scholar, who violates school rules or who interferes with an orderly education process. The disciplinary action taken by the teacher shall be in accordance with such regulations and procedures established by the school’s Minor Infraction Policy and in accordance with Concord Lake STEAM Academy policy.
Teacher and Staff Interventions

- Each teacher or staff member is required to have a documented Minor Infraction Policy in accordance with his or her School Wide Positive Behavior Support Implementation Plan.
- The following classroom interventions may be utilized to correct scholar behavior:
  - Restating of desired behavior and verbal reminder
  - Re-teaching desired behavior; scholar-teacher conference
  - Verbal warning
  - Written warning, phone call/note home to parent
  - Behavioral Contract
  - Individual Behavior Management plan
  - Referral to Scholar Services
  - Denial of special privileges/work assignments
  - Assignment of special extra duties
  - Time Out
  - Assignment of reasonable written or oral work
  - Referral for a counseling session
  - Peer mediation/conflict resolution
  - Parent conference
  - Detention

Minor Infractions

- A record of minor infractions for violation of classroom or school rules will be kept by the classroom teacher. Consequences for minor infractions should adhere to the following guidelines:
  - 1st Infraction - Conference with scholar, documentation of infraction, and parental contact made by teacher
  - 2nd Infraction - Conference with scholar, documentation of infraction, and parental contact made by teacher
  - 3rd Infraction - Conference with scholar, documentation of infraction, school specific intervention(s) and parental contact made by teacher
  - 4th Infraction - Teacher completes major referral form for repeated rule violation.

Scholar Removal from the Classroom

- A scholar may be immediately removed from a classroom by the teacher and placed in custody of the administrator or designee if the scholar’s behavior
prevents the orderly instruction of other scholars, poses an immediate threat to the safety of scholars or the teacher, or when a scholar exhibits disrespectful or threatening behavior toward a teacher. If removed, the scholar shall receive credit for school work missed when it is completed by the scholar based on its accuracy. Scholars who are not preventing instruction may be referred to the office but do not warrant immediate removal.

- Upon the scholar being removed from class and sent to the principal’s office, the principal or designee shall advise the scholar of the particular misconduct of which he is accused as well as the basis for such accusation, and the scholar shall be given an opportunity to explain his version of the facts. The principal shall conduct a counseling session with the scholar to discuss the particular misconduct and establish a course of action. If the principal determines that the removal of the scholar from class was warranted, the scholar shall not be readmitted to the classroom until the principal has implemented one of the following disciplinary measures:
  - Detention – After school and/or Saturday
  - Suspension - Requiring the completion of all assigned school and homework which would have been assigned and completed by the scholar during the period of suspension.
  - Any other disciplinary measure authorized by the principal with the concurrence of the teacher.

- When a scholar has been removed from a classroom, the teacher may require the parent, tutor, or legal guardian of the scholar to have a conference with the teacher in the presence of the principal or his or her designee before the scholar is readmitted. Upon the scholar’s third removal from the same classroom, the teacher and principal shall discuss the scholar’s disruptive behavior and contemplated disciplinary measures to be taken before the principal implements such measures. If appropriate, a referral of the matter may be made to the Scholar Services Team. In addition, a conference between the teacher or other appropriate school employee and the scholar’s parent, tutor or legal guardian shall be required prior to the scholar being readmitted. If the disruptive behavior persists, the teacher may request that the principal transfer the scholar into another setting.

- Whenever a teacher is struck by a scholar, the scholar, in addition to any other discipline given, may be permanently removed from the teacher’s classroom, unless the teacher objects, or unless the principal, with the concurrence of the Scholar Services Team, finds the striking incident to be entirely inadvertent.
• Scholars who are suspended and/or expelled from school may not be on any school campus, school bus, or school event during the term of the suspension and/or expulsion.

• Discipline assignments take precedence over all school activities (athletic events, band practice, field trips, etc.) Scholars suspended and/or expelled may not attend, participate or represent the school in any school activity during the terms of that exclusion or removal. Scholars returned to campus after a recommended expulsion may continue to be prohibited from extracurricular activities.

• If a scholar exits to another school or enters from another school discipline reports will be requested and reviewed.

**Discipline of Scholars with Disabilities 34 CFR §§300.530 – 300.536 and NC 1504-2**

• To the extent that they also take such action for children without disabilities, school personnel may, for not more than 10 school days in a row, remove a child with a disability who violates a code of scholar conduct from his or her current placement to an appropriate interim alternative educational setting, another setting, or suspension.

• School personnel may also impose additional removals of the child of not more than 10 school days in a row in that same school year for separate incidents of misconduct, as long as those removals do not constitute a change of placement.

• Once a child with a disability has been removed from his or her current placement for a total of 10 school days in the same school year, the school must, during any subsequent days of removal in that school year, provide services to the extent required.

**Additional Authority**

If the behavior that violated the scholar code of conduct was not a manifestation of the child’s disability and the disciplinary change of placement would exceed 10 school days in a row, school personnel may apply the disciplinary procedures to that child with a disability in the same manner and for the same duration as it would to children without disabilities, except that the school must provide services to that child. The child’s IEP Team determines the interim alternative educational setting for such services.

**Manifestation Determination**

• Scholars who have an IEP are provided the protections under that plan as outlined in State and Federal statute. Within 10 school days of any decision to
change the placement of a child with a disability because of a violation of a code of scholar conduct (except for a removal that is for 10 school days in a row or less and not a change of placement), the school, you, and other relevant members of the IEP Team must review all relevant information in the scholar’s file, including the child’s IEP, any teacher observations, and any relevant information provided by you to determine:

1. If the conduct in question was caused by, or had a direct and substantial relationship to, the child’s disability; or
2. If the conduct in question was the direct result of the school’s failure to implement the child’s IEP.
3. If the school, you, and other relevant members of the child’s IEP Team determine that either of those conditions was met, the conduct must be determined to be a manifestation of the child’s disability.
4. If the school, you, and other relevant members of the child’s IEP Team determine that the conduct in question was the direct result of the school’s failure to implement the IEP, the school must take immediate action to remedy those deficiencies.

**Administrative Interventions and Definitions**

The following chart provides a written description of the disciplinary interventions (consequences) that may be assigned to a scholar that commits a behavior infraction.

- **After School and/or Saturday Detention:** held at the school site. A staff member monitors the Detention activities. The child does not miss class time.
- **Behavior Plan:** a scholar specific plan that is aimed at improving problem behavior. Parents, scholars and school staff work together to develop and implement this plan.
- **Confiscation:** of cell phones and electronics: (Refer to Policy) For all other items (i.e. toys, games): at the principal’s discretion
- **Loss of Privileges:** revocation of the right to participate in social and/or extracurricular activities.
- **Suspension**
  - Short-Term Suspension is the exclusion of scholar from school attendance for disciplinary purposes for up to ten (10) days.
  - Long-Term Suspension is the exclusion for more than ten (10) school days.
- **Parent Contact/Conference:** phone calls, notes home, letters, meetings with
parents, automated calls, emails.

- **Expulsion:** The Board may expel any scholar 14 years of age or older whose continued presence in school constitutes a clear threat to the safety of other scholars or school staff. This may be a result of habitual violations of school rules, or for other serious one-time infractions (drugs, weapons, and other serious offenses).

- **Referral to Scholar Services or Mental Health Professional:** school based counseling aimed at improving scholar behavior. Scholars will receive conflict management counseling, self-control tips, effective communication training, anger management counseling.

- **Restitution or Repair:** payment or repair for damages to personal or school property.

- **School Specific Interventions:** interventions that are used for certain behavior infractions.

- **Threat Assessment:** multidisciplinary assessment used to validate a verbal, nonverbal or written threat by a scholar. Scholar and parent interviews are conducted if necessary.

- **Time out:** a disciplinary action that allows the scholar time to reflect and refocus. The child is given time to sit quietly, to calm down and to refocus on the expected behaviors before returning to group instruction. It can be given in the classroom, in the office or in another classroom. Middle school scholars may be assigned a consequence that is more age-appropriate.

**Due Process in Disciplinary Procedures**

**Levels of Disciplinary Action**

Concord Lake STEAM Academy works diligently to provide an appropriate learning environment for all scholars. Nonetheless, at times scholars may become disruptive, talkative, disrespectful, etc. To better deal with these types of behaviors, teachers and administrators will work collaboratively to implement a Progressive Discipline Plan and continue to implement the following alternatives to suspensions. The seriousness of the offense, academic placement, attitude, age, pattern of misconduct, and degree of cooperation of the scholar, and any other circumstances will be considered in determining which actions should be taken.

Please note that for any suspension, parents may be required to attend a parent conference with administration prior to the return to school.

**Discipline Policy – Bullying**

Concord Lake STEAM Academy will comply with all North Carolina laws related to bullying. The definition of bullying and harassing behavior, as provided by the North Carolina Law on Bullying/NC Violence Prevention Act is: Threatening communication that takes place on school property, at any school-sponsored function, or on a school bus, and that:

- Places a scholar or school employee in actual and reasonable fear of harm to his or her person or damage to his or her property; or
- Creates or is certain to create a hostile environment by substantially interfering with or impairing a scholar's educational performance, opportunities, or benefits. For purposes of this section, "hostile environment" means that the victim subjectively views the conduct as bullying or harassing behavior and the conduct is objectively severe or pervasive enough that a reasonable person would agree that it is bullying or harassing behavior.
Bullying or Harassing Behavior

- Bullying or harassing behavior includes, but is not limited to, acts reasonably perceived as being motivated by any actual or perceived differentiating characteristic, such as race, color religion, ancestry, national origin, gender, socioeconomic status, academic status, gender identity, physical appearance, or mental, physical, developmental, or sensory disability, or by association with a person who has or is perceived to have one or more of these characteristics.
- No scholar or school employee shall be subjected to bullying or harassing behavior by school employees or scholars.
- No person shall engage in any act of reprisal or retaliation against a victim, witness, or a person with reliable information about an act of bullying or harassing behavior.
- A school employee who has witnessed or has reliable information that a scholar or school employee has been subject to any act of bullying or harassing behavior shall report the incident to the appropriate school official.
- A scholar or volunteer who has witnessed or has reliable information that a scholar or school employee has been subject to any act of bullying or harassing behavior should report the incident to the appropriate school official.
- The principal/designee is responsible for receiving complaints alleging violations of the bullying policy. All school employees and parents chaperoning or supervising school-sponsored functions and events are required to report alleged violations of this policy to the principal or the principal’s designee. A verbal report must be reported to the principal/designee on the same day as the employee or parents witnessed or otherwise learned of the incident and a written report must be filed no later than two days thereafter. The written report must be obtained from the principal/designee. The principal/designee will initiate an investigation into the bullying incident no later than the next business day that school is in session.
- The victim of bullying, anyone who witnessed the bullying, and anyone who has credible information that an act of bullying has taken place may file a report of bullying.

Discipline Policy – Suspension and Expulsion Procedures

Short-Term Suspension

- The principal/designee may impose a short-term suspension when a scholar willfully engages in conduct that violates a provision of the Code of Scholar
Conduct authorizing short-term suspension.

- The scholar will be provided an informal hearing: notice of the charges including the basis for the accusations and the opportunity to respond to the charges. Notice may be oral or written, and the hearing may be held immediately after notice is given.
- The principal/designee may impose a short-term suspension without providing the scholar a hearing if the presence of the scholar creates a direct and immediate threat to the safety of other scholars or staff, or substantially disrupts or interferes with the education of other scholars or the maintenance of discipline at the school. In such cases, the notice of the charges and informal hearing shall occur as soon as practicable.
- The principal/designee will provide notice to the scholar's parent of any short-term suspension, including the reason for the suspension and a description of the scholar conduct upon which the suspension is based. The notice shall be given in person, by telephone, facsimile, or e-mail and shall be given by the end of the day during which the suspension is imposed.
- The notice shall be provided in English and in the parent's primary language, when appropriate foreign language resources are readily available, and both versions shall be in plain language and shall be easily understandable.
- A scholar serving a short-term suspension shall be provided the opportunity to take textbooks home, to receive all missed assignments, and to take any examinations missed during the suspension period.
- A scholar is not entitled to appeal the principal's decision to impose a short-term suspension.

Long-Term Suspension

- The principal/designee may recommend to the Board the long-term suspension of any scholar who willfully engages in conduct that violates a provision of the Code of Scholar Conduct that authorizes long-term suspension.
- The Board will provide the scholar a hearing before imposing a long-term suspension. If the scholar declines the hearing, the Board shall review the circumstances of the recommendation and may:
  i. impose the suspension if it is consistent with board policies and appropriate under the circumstances
  ii. impose another appropriate penalty authorized by board policy, or
  iii. decline to impose any penalty.
- The principal/designee will provide notice to the scholar's parent of the long-term suspension recommendation, including a description of the incident, the scholar's conduct and the provision of the Code of Conduct that was violated. The notice shall be given in person, by telephone, facsimile, or e-mail and shall be given by the end of the day during which the suspension is
recommendation.

- The notice shall be provided in English and in the parent's primary language, when appropriate foreign language resources are readily available, and both versions shall be in plain language and shall be easily understandable. The notice will clearly identify the nature of the document (long-term suspension notice), the process by which the parent may request a hearing, hearing rights, and the name and telephone number of the school employee the parent may call for assistance.

- If the scholar or parent desires a hearing, a request must be made in writing within five (5) days of receiving the notice. If the scholar or parent requests a postponement of the hearing or if the hearing is requested beyond the time set for such request, the hearing shall be scheduled, but the scholar shall not have the right to return to school pending the hearing. If neither the scholar nor parent appears for the hearing, the scholar and parent are deemed to have waived the right to a hearing and the Board shall conduct the review provided in the section above.

- Long-term suspension hearings shall be conducted in accordance with state law and scholars will be provided procedural due process including, but not limited to, the following:
  i. The right to be represented at the hearing by counsel or, in the discretion of the Board, a non-attorney advocate.
  ii. The right to be present at the hearing, accompanied by his or her parents.
  iii. The right to review before the hearing any audio or video recordings of the incident and, consistent with federal and State scholar records laws and regulations, the information supporting the suspension that may be presented as evidence at the hearing, including statements made by witnesses related to the charges consistent with subsection (h) of this section.
  iv. The right of the scholar, parent, or the scholar's representative to question witnesses appearing at the hearing.
  v. The right to present evidence on his or her own behalf, which may include written statements or oral testimony, relating to the incident leading to the suspension.
  vi. The right to have a record made of the hearing.
  vii. The right to make his or her own audio recording of the hearing.
  viii. The right to a written decision, based on substantial evidence presented at the hearing, either upholding, modifying, or rejecting the principal's recommendation of suspension and containing at least the following information:
    - The basis for the decision, including a reference to any policy or rule that the scholar is determined to have violated.
    - Notice of what information will be included in the scholar's
 The scholar’s right to appeal the decision and notice of the procedures for such appeal.

- The principal/designee shall implement the decision by authorizing the scholar's return to school or by imposing the suspension reflected in the decision. Scholars who are long-term suspended may be offered alternative education services consistent with state law.
- School officials will not be compelled to release names or other information that could allow the scholar or his or her representative to identify witnesses when such identification could create a safety risk for the witness.
- Decisions of the Board are final and are not subject to further review.

Expulsion

- Upon recommendation of the principal, the Board may expel any scholar 14 years of age or older whose continued presence in school constitutes a clear threat to the safety of other scholars or school staff. Prior to the expulsion of any scholar, the Board shall conduct a hearing. The scholar shall be given reasonable notice of the recommendation in accordance with the provisions for long-term suspensions as well as reasonable notice of the time and place of the scheduled hearing.
- The procedures described in previous section above for long-term suspensions apply to scholars facing expulsion, except that the decision to expel a scholar shall be based on clear and convincing evidence that the scholar's continued presence in school constitutes a clear threat to the safety of other scholars and school staff.

Request for Readmission

- All scholars suspended for 365 days or expelled may, after 180 calendar days from the date of the beginning of the scholar’s suspension or expulsion, request in writing readmission to the school. The Board shall consider such requests using the following process:
  - The Board shall review petitions for readmission together with the recommendation of the principal and shall rule on the request within 30 days of the petition being filed. The Board shall allow the parties to be heard in the same manner as provided above for long-term suspensions.
  - The scholar shall be readmitted if the scholar demonstrates that his or her presence in the school no longer constitutes a clear threat to the safety of other scholars or staff.
  - A decision by the Board to deny readmission of an expelled scholar is final and not subject to further review.
  - An expelled scholar may subsequently request readmission not more
often than every six months.

- If a scholar is readmitted under this section, the Board and the principal have the right to place reasonable conditions on the readmission.
- If a teacher was assaulted or injured by a scholar, and as a result the scholar was expelled, the scholar shall not be returned to that teacher's classroom following readmission unless the teacher consents.

**Grievance Policy (Parents/Scholars)**

Scholars or parents may invoke the grievance process by requesting a conference with the principal to appeal any final decision of school personnel. Requests for conferences must be made in writing within twenty-one (21) calendar days of the event giving rise to the grievance. The School’s policy holds that academic concerns are first discussed with the teacher. If the parent determines that the academic concern has not been adequately addressed, then the parent may request a conference with the principal. The principal or assistant principal will hold the conference within five (5) school days of receiving the request. The principal or assistant principal will provide the scholar or parent a written decision on the grievance within five (5) days of holding the conference.

Within five (5) school days following receipt of the principal or assistant principal’s decision, the scholar or parent may appeal the decision to CSUSA. CSUSA will review the decision including any additional written documentation provided from the scholar, parent or administrator. CSUSA will provide the scholar, parent and administration a written response within ten (10) school days of receiving the appeal.

If the grievance is not resolved through the school administration or CSUSA, the scholar or parent may appeal to the Board of Directors within five (5) school days following receipt of the response from CSUSA. The Board will review the written documentation and decisions from the administration and CSUSA and will issue a final written decision within thirty (30) calendar days of receiving the appeal.

It is the desire of the school, the North Carolina Charter Educational Foundation, Inc. and CSUSA to create the best learning environment for each scholar, including working to resolve concerns parents have regarding child’s academic environment.

**Family Educational Rights and Privacy Act**

The Family Educational Rights and Privacy Act (FERPA) affords parents certain rights with respect to the scholar’s education records. These rights are:

1. **The right to inspect and review the scholar's education records within 45 days after the day the school receives a request for access.** Parents should submit a written request to the principal that identifies the records they wish to inspect. A school official will make arrangements for access and notify the parent of the time and place where the records may be inspected.

2. **The right to request the amendment of the scholar’s education records that the parent believes are inaccurate, misleading, or otherwise in violation of the scholar's privacy rights under FERPA.** Parents should write the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record, the school will notify the parent of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent when notified of the right to a hearing.

3. **The right to provide written consent before the school discloses personally identifiable information from the scholar’s education records, except to the extent that FERPA authorizes disclosure without consent.** The school may disclose information without obtaining prior written consent pursuant to 34 C.F.R. As a learning experience, teachers may plan field trips. Parents may be asked to assist the teacher as chaperones. Chaperones must be at least 21 years of age. Parents serving in this capacity may not have other children accompany them. Parents who are officially selected to be chaperones may count their hours on the field trip as volunteer hours. Parents accompanying scholars on overnight field trips must be fingerprinted and have a background check.

- Scholars may be excluded from participation in any trip for reasons relating to behavior or conduct.
- Scholars may also be excluded from attending a trip or activity if they are currently serving a term of suspension.

Parent permission must be given for scholars to participate in field trips. The teacher will send permission slips and information about each field trip 2-4 weeks
prior to each fieldtrip. Money and permission slips must be turned in according to
the teacher’s instructions, prior to the field trip or the scholar will not be permitted

Grading Policy

Monitoring and evaluating students’ progress towards understanding and mastery
of the North Carolina Standard Course of Study is a core component in creating a
solid educational environment to ensure each student can reach his or her
maximum potential. Concord Lake STEAM Academy believes grading should be
standards-based and reflect mastery. The purpose of standards-based grading is to
provide specific feedback to students on how they are performing on specific
concepts and components of an overall standard. The North Carolina Standard
Course of Study for English Language Arts, Mathematics, Science, and Social Studies
prepares each student to become College and Career Ready and standards-based
grading provides evidence-based feedback about your scholars understanding.

Through standards-based grading CLSA will create a learning environment
personalized to meet each student where he or she is; empower students to set
personal academic goals and targets; and provide continuous monitoring to ensure
growth and mastery are demonstrated prior to formative and summative
assessments.

K-2 Grading Scale:

- Exceeds grade level standard (4) - Students who are a level 4 have superior
  understanding/mastery of the knowledge and skills contained in the North
  Carolina Standard Course of Study and show an in-depth understanding of the
correlating skills required of the next grade level.
- Meets grade level standard (3) - Students who are a level 3 show consistent
  understanding/mastery of the knowledge and skills contained in the North
  Carolina Standard Course of Study.
- Progressing toward grade level standard (2) - Students who are a level 2
  inconsistently show understanding/mastery of the knowledge and skills
  contained in the North Carolina Standard Course of Study.
• Developing toward grade level standard (1) - Students who are a level 1 have limited understanding/mastery of the knowledge and skills contained in the North Carolina Standard Course of Study.

3-8 Grading Scale:
• A: 90% - 100% - Students at this level have superior command of the knowledge and skills contained in the North Carolina Standard Course of Study.
• B: 89% - 80% - Students at this level have solid command of the knowledge and skills contained in the North Carolina Standard Course of Study.
• C: 79% - 70% - Students at this level have a sufficient command of grade-level knowledge and skills contained in the North Carolina Standard Course of Study.
• D: 69% - 60% - Students at this level have partial command of the knowledge and skills contained in the North Carolina Standard Course of Study.
• F: 59% and below - Students at this level have limited command of the knowledge and skills contained in the North Carolina Standard Course of Study.

Home Learning Policy

The purpose of home learning is to develop study habits in children early on in their academic lives. It is also used to reinforce concepts that have been taught or to work on projects that have been assigned. If a child does not understand his/her assignment after trying to do it at home, please send a note to the teacher indicating the problem.

Some days’ home learning assignment may take less time or may take slightly more time on any given day. A child who does not complete class work in class may have to complete class work in addition to home learning. Reading Log requirements will be sent home by the teacher.

The parent’s responsibility is to provide a quiet environment and assistance when needed. In addition, parents may help in the following ways:
• Show an interest in your child’s work.
• Provide a place and time for quiet study.
• Assist in practicing with spelling words and number combinations.
• Encourage home reading and listen to your child read.
• Review the homework for neatness and completeness.
• Refrain from doing the work for your child.
• Discuss problems related to home study with your child’s teacher.
Scholars will not be permitted to return to a classroom after dismissal to get home learning assignments and projects. This also includes the scholars participating in the aftercare program. Assignments will not be accepted at the office from parents.

**Scholar Progression**

Concord Lake STEAM Academy will follow the Concord Lake STEAM Academy Scholar Progression Plan posted on the website and available in the office.

**Report Card Distribution**

Report cards will be sent home with the scholar at the end of each quarter.

**Honor Roll Requirements for Scholars in Grades 3 – 8**

Only scholars in grades 3-8 are eligible to receive the following Honor Roll Certificates:

- A Honor Roll – Scholar receives an A in all core classes.
- A/B Honor Roll – Scholar receives an A or B in all core classes.
- B Honor Roll – Scholar receives a B in all core classes.

**Scholar Placement**

All scholar placements in classes will be determined by the administrative team in collaboration with the instructional staff after careful review of the academic performance and educational needs of the scholar. A review of assessment data, including, but not limited to standardized and formative assessments will be considered. In the case of birth multiples, placement will be determined by the academic needs of each individual scholar and as otherwise provided by law.

**Teacher Conferences**

All parents will meet with their child’s teacher at least twice during the academic year. We encourage you to have conferences more often if needed, as effective communication is one of the cornerstones of education. Conferences are scheduled after first and third quarters.

**Instructional Books, Equipment, Materials, and Supplies**

All textbooks needed by scholars for school and homework assignments are furnished by the school. The school is also able to provide the materials and equipment requested by teachers for classroom instruction.
Scholars need to realize that books and materials are expensive and that they should be cared for properly. Scholars are required to cover all books that are issued to them. A brown grocery bag makes an excellent book cover. At the beginning of the school year, some businesses offer free book covers to the scholars. Scholars should print their names and room number on the front of each removable book cover. Books should not be written in or on. Charges will be made for damaged or lost books and/or materials. Scholars should learn to be responsible for the care of personal and school materials.

Scholars will be expected to provide all basic supplies such as paper, pencils, crayons, rulers, scissors, markers, glue, etc. Any additional supply needs will be requested in writing by the classroom teacher. Please help your child come prepared for school by packing his/her homework and supplies in the evening to avoid the last minute morning rush. Ultimately, it is the scholar's responsibility to check and be sure that everything needed for the next day has been packed.

**Labels**

Please have your child’s name (First and Last) on all personal property such as: lunch boxes, sweaters, raincoats, etc. It is particularly important with the logo attire.

**Lost and Found**

Please label all clothing as it makes it easier to return lost items to their owner. Anytime a scholar loses an item, he/she may go to the "Lost and Found" in the multi-purpose room to claim it. There are many items lost and never claimed each year. These items are donated monthly to various charitable institutions.

**Student Health**

**Injury**

An accident report will be completed and filed for accidents. The procedures listed below will be followed for an injured scholar:

- Teachers will send the scholar to the office if the injury is minor.
- Teachers will notify the office if the scholar is unable to be moved.
- School personnel will administer basic first aid.
- The parent(s) will be called and the injury described. For minor injury, the parent will make the decision about retrieving the scholar from the school. Emergency contact persons will be called if parent cannot be reached.
- The Emergency Services will be called for critical injuries that require the type of care that school personnel cannot offer, and the parent or emergency contact will be notified.
Pediculosis (HEAD LICE) and Eye Infections

Students will be checked periodically for head lice. Students and parents should ensure that proper treatment has been administered and all nits have been removed from the hair. Upon returning to school, the student will be checked to determine if any nits are still present. To prevent an outbreak of head lice, parents are asked to examine the hair of their children weekly and shampoo frequently.

Any eye conditions that do appear to be infectious need to be cleared by a doctor in order for the student to return to school. This is for the protection of the student and his/her classmates.

Emergencies

Illness

- The importance of regular attendance cannot be over-emphasized, but scholars should not be sent to school when they are ill. Scholars will be sent home if they have a temperature of 100.4 degrees or above. In order for a child to return to school, he/she will need to be fever-free, diarrhea-free, and vomit-free for a minimum of 24 hours. If a scholar becomes ill during the school day and it appears that they would be best cared for at home, the parent will be contacted. There are very limited facilities in the school, making it impossible to keep sick scholars for long periods of time. School personnel need to be notified of any scholar’s chronic illness (i.e. asthma, diabetes, heart conditions or seizures) or head injuries within the last 12 months. This heightens awareness in case of an emergency. Please update Emergency Contact Information whenever changes occur.
- Scholars will not be permitted to take calls from parents to see how they are feeling. The school will contact you if your child is not feeling well.

Medication

- The administering or dispensing of any medicines (including non-prescription medication) to scholars by employees of the school without specific written authorization by the physician & parents of the scholar is forbidden. If it is absolutely necessary that the child take any medication while he/she is in school, and a physician’s form is not signed, the parent may come to the school to administer medication personally. A Physician’s Form may be obtained from the school office.
- The medication will be kept in the office and will be administered by office personnel. Scholars are not allowed to have any medication (not even over the counter medication) in their possession. Parents should pick up and drop off medicine in the office. Scholars are responsible to come to the office at the
appropriate time to ask for their medication. It is not the responsibility of the office staff to remind the scholar. Please inform your child’s teacher of any medication procedures.

**Vision Screenings**

All Kindergarten scholars may be screened for vision to rule out any difficulties in these areas.

**Money Collection**

All money that is sent in to the school for Cafeteria Balances, Aftercare, ID Badges, School T-Shirts, Fundraisers, etc., **MUST BE Cash, MONEY ORDER, or checks drawn on local banks ONLY.**

**Returned Checks**

Returned checks to the school are charged a $35.00 returned check fee. Although banks notify their checking customers first, a courtesy letter may be sent home as a reminder from the school. Payment for the returned check should be made in cash or money order. The returned check and $35.00 fee should be made within 7 days of notification from the school. After two returned checks to the school, a family may not pay by check for anything else at school.

**Parent Teacher Committee (PTC)**

**Concord Lake STEAM Academy truly** believes that the involvement of parents in the education of a child is essential. Not only is academic communication important, the volunteer involvement of parents is important to benefit the programs of the school. CLSA’s PTC is structured in a manner that respects the importance of time with family, engagement in the school community, and the opportunity to enrich the programs of the school for students. A great portion of each child’s day is spent at school; therefore, his/her growth and development becomes a joint responsibility between the home and school. Everyone is urged to become active in helping further the goals and growth of CLSA’s Parent Teacher Committee (PTC).

The PTC will create monthly opportunities for parent involvement on a large scale that will allow hundreds of parents to assist and volunteer. A major component of the PTC will be the team structure for events, fundraisers, and identified needs of the school. A parent can focus their talents and areas of personal enjoyment with the events and opportunities of the school.

Anyone is invited to join the steering committees or help with individual events. The PTC will sponsor fundraisers throughout the school year and monies generated by
fundraising events will be used to purchase items to support the school, as identified by the Principal, with input from the PTC. 100% of the money raised for school based initiatives stays at the school level.

**Severe Weather Information**

Concord Lake STEAM Academy will make every effort to make inclement weather decisions by 5:30 am. Please note that we serve scholars from several local districts and therefore we will make our own decisions related to school closings or delays. Parents should watch the local news for information about school closings. **The absence of any announcement means that the schools will open as usual.**

**Delay, Closing or Early Dismissal of Schools Due to Inclement Weather**

- In the event of bad weather causing poor road conditions, the Principal, or designee, will determine whether or not schools will have a late opening or postponement. The television and radio stations listed below will be notified at the earliest possible time. Scholars, parents, and school personnel should listen for the announcement. When making a decision on opening or closing the schools, school officials are primarily concerned with the safety and welfare of all scholars and employees as well as those parents who transport their children to school. An attempt will be made to make a decision to close schools or consider a delayed schedule by 5:30 a.m. In order to efficiently notify everyone impacted by a closure or delay decision, school officials are asking all scholars and parents to cooperate by following these suggestions:
  - Make sure your phone number(s) and contact information are updated in our school information systems, ACE and PowerSchool as we will send a message via automated call soon after the decision has been made.
  - Listen to one of the television or radio stations listed, or check listed web sites. Media outlets will post announcements at their earliest convenience.
  - DO NOT call the weather bureau, television or radio stations, newspaper offices, school officials or cablevision.
- In the case of severe weather, the following TV stations are notified:
  - WBTV, Channel 3 (CBS)
  - WCNC, Channel 36/6 (NBC)
  - WSOC, Channel 9 (ABC)

**Inclement Weather Make-Up Days**

- The status of any day in the school calendar can be changed at any time during the school year if days are missed due to inclement weather. All days (except Sundays) between August and June, no matter how they are
designated on the school calendar (holidays, workdays, annual leave days, Saturdays, etc.), may become a make-up school day or teacher workday.

- The make-up schedule will be announced as soon as possible after an inclement weather event has ended. If a Saturday is used as a make-up day, it shall occur as soon as possible following the missed instructional day. In the event that inclement weather forces the closure of school for scholars and staff and the make-up day is on a Saturday, the following schedule will be used.

**Scholar Information System**

All parents will have access to the parent/scholar information system. During enrollment and registration this is our ACE system. Once enrolled, we utilize PowerSchool, a tool to assist in your daily interaction with your child’s school life. Within this system, parents can get up-to-date grades, attendance, and tardy records while also having access to email teachers, view school calendar, and see how your scholar is faring with the State Standards in each class and benchmark test. This tool can be accessed from any computer with Internet access. All that is required is that you have the correct web site address and a valid username and password. User names and passwords are available through the front office. It is very important that you keep your phone number(s), address, and contact information up to date.

**Telephone**

The school has a business telephone to help transact the business of the school and the lines are kept open. Scholars may not use the telephone without permission and then only for emergencies. It is difficult to deliver a personal message to an individual scholar without interrupting the instructional program. Only emergency messages will be delivered to the scholar in the classroom.

All phone calls made to family members during school hours must be made from a school telephone with a staff member present. Failure of any child to follow this policy will result in consequences from the school administration.

**Visitors**

Visitors, including parents, are *not* permitted to go to their child's classroom unannounced during school hours because this disrupts normal routine and instruction. For the safety and protection of all scholars, visitors (including parents) must present a valid Driver’s License (each and every time they visit/volunteer) which will be processed through the *Raptor Screening System*. Parents will also sign in and out, state whom they are visiting, state the purpose of the visit, and obtain a pass before proceeding to a classroom. Cooperation will enable the school to
provide a safe and orderly learning environment for all scholars.

**Volunteers**

- Parents have many opportunities to volunteer their time both at school and at home. Volunteer sign-ups will be available when events and other opportunities are announced throughout the school year.
- Parents are encouraged to volunteer a minimum of 20 service hours per family each school year (or prorated to two hours a month for scholars enrolling after the school year has begun). Parents should try to have ten service hours completed each semester.
- Parents who wish to volunteer during the school day may be asked to use the volunteer room to assist the teacher but depending on circumstances, may be asked not to volunteer in the classroom during instructional time due to privacy issues. Teachers who desire volunteer assistance in their classroom during instructional hours will reach out to parents for assistance. Otherwise, parent volunteers will need to remain in the volunteer room or the cafeteria during the instructional school day.
- It is suggested that a minimum of 2 hours of volunteer service be spent working on school fundraisers and special activities. Parents will also receive volunteer time for attending workshops and general parent meetings conducted in the school. No volunteer may grade a child’s work nor file any scholars work.
- Siblings who do not attend Concord Lake STEAM Academy will not be permitted into the building, with the exception of arrival or dismissal, awards ceremonies, or special evening events.
- Please be sure to log in your own volunteer hours by submitting the volunteer form to the front office so that your hours can be accounted for each quarter.

**Volunteer Dress Code**

As we are protecting an educational environment we ask that volunteers dress in business casual attire. Yoga pants, running shorts, tank tops, halter tops and blue jeans do not convey the professional look that we expect. In addition, sandals and flip flops are not permitted as they increase the risk of trips, slips and falls.

**Volunteer Guidelines**

- The safety and education of scholars must be the main concern of volunteers while engaged in school activities.
- Individual scholar’s grade records and abilities are personal and confidential information.
Scholars have the right to confidentiality under the Family Educational Rights and Privacy Act (FERPA) and the North Carolina General Statute 115C-402. Included, but not limited to this right are: academic work completed, standardized test scores, health data, interest inventory reports, reports of serious or recurrent behavior patterns, family background information, attendance records, grades and teacher or counselor rating and observations.

- Scholars may not be given medication by volunteers.
- Volunteers will not contact parents regarding scholar performance or behavior.
- Classroom supervision and scholar discipline are the responsibilities of the teacher and school.
- Permission for a scholar to leave the classroom must always be given by the teacher.
- Volunteers are required to sign in and out. The office will determine where and when a volunteer is needed within the school.
- For identification, volunteers are required to wear a name badge when helping with school activities.
- **Volunteers will be assigned only to staff members requesting assistance.**
- Punctuality and reliability are expected since teachers plan for volunteer assistance.
- **Comparing and criticizing teachers and scholars is not acceptable volunteer behavior.**
- Volunteers should be in good physical and mental health.
- Volunteers are expected to be well groomed and dressed appropriately.
- Volunteers should set a good example for scholars by their manner, appearance, and behavior.
- Volunteers will be allowed in the classrooms during instructional time ONLY when scheduled by the teacher.

**Withdrawal Procedures**

Parents/Guardians must complete a withdrawal form with the registrar when a child leaves the school during the school year. Be sure that the child has turned in all school property before he/she leaves the school.
